

# PlayConnect+

A space to Find a sense of Belonging and Community

## Playgroups for Children with Disability, Developmental Concern and Chronic Illness

Scan the QR code to connect with a local PlayConnect+ playgroup near you.

Prior enrolment is required. We hope to see you there!

**PlayConnect+ is a free program open to all children with disability, developmental concerns and/or chronic illnesses aged 0-6 years. The sessions are also for families, carers and siblings. No diagnosis is required in order to attend. Qualified professionals facilitate all playgroup sessions. Activities and information will be provided each week. Forge meaningful connections, feel supported, share stories, have fun!**

*PlayConnect is also offered online for 0-6 year-olds and runs face-to-face school holiday programs for 5-8-year-olds.*
